

LITTLE RANT + AIW ART!!

I'm so tired but - so basically
I have this book project due by 12 a.m tonight, but it is SO TEDIOUS & BORING.

I would've preferred an essay, but whatever (we're doing slides ☹️)
I wish I had done the project on Alice in Wonderland because then I would WANT to do it, but when it was first assigned I didn't have the books.

Also, I'm gonna miss you all SO MUCH - but I'm not gonna be the person who says they're leaving, and then comes RIGHT BACK.

In other words, I'm learning cursive & Chess, and I'm thinking of learning a new language (NOT duolingo, though. Duo takes sucks).

Also, I'm in the process of reading Jane Eyre, and I need to study asylums in 1860s London for my Alice's Asylum comic. I downloaded a bunch of books from the 1860s as well so that I could study how life was at that time & how people spoke.

My mom also bought me a new vintage red chair for my room, and on Sunday I got a vintage purple flowers tea-cup, which I've been drinking from like, every day since I got it. Eventually, I have to get back on track with learning guitar & my workouts. So many things to try, yet so little time...
