

Guyssss, i think i have a second crushhhhhh

So lets call him 🍌

He is a friend of 🥥 and he is in 8th grade but older than me (i could skip 1 grade cuz i was a smart kiddo 🤪🤪)

So in every break i play a game with my old class so 🥝🍇🥥🍏 etc (sounds like a fruit salad 😂)

And 🍌 and his friend somehow also joined

They are soo kind and 🍌 looks GOOD and he is FINEE

Every friday when 🥥 has last period off, 🍌 and his friends go home with the same bus as me

And 🍌 is the last one to get out (as 🥥 too cuz they are actually neighbours)

And he ALWAYS smiles at me and says bye 😍😍

And in the bus TO school 🍌 sat next to me and I wished him happy late birthday (now he is 14) and HE SMELLED SOOO GOOD AAHHH

So that was it

Crush no. 1 is 🥥

And no. 2 is 🍌
