

Wazzup peeps :D

So as you've seen I haven't been able to post AT ALL. lol. I've been very busy. And I know I've said that a lot but right now I'm doing so good with school and sports that I want to keep it that way.

Unfortunately this means I won't be able to continue Hsa. But I won't be able to so maybe one of you can. I will be auctioning it off through a contest or something. Be aware that making and keeping Hsa is a heck of a lot of work. So it might be passed around or it might just die.

So if any of you think you have the time and patience to take over please let me know. I'm really sorry I got all your hopes up, but I have a life so therefore I can't dedicate myself to the gallery. I Hope you all can understand.

I will continue doodle posts but otherwise I will be a bit unactive.

↳ Next page for Hsa details.

I really do wish I could continue Hsa but I just have zero time.

The auction won't have money lol but it will be, in a way, a contest. Let me know if you are thinking of taking over and create a small Hsa comic. Sometime in March I will inspect them all and choose which artist is best for the job. Hsa is a heavy burden and requires a lot of time and patience like I said before.

Or another option is to just let it die and move on with our lives.
