Joshua 1:9

Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go."

What does it mean?

This verse is not very complex like other ones. It doesn't need much explaining but it is saying to not be scared because God is with you, will provide for you, and keep you safe. How does it apply to my life? It applies to your life because it assures you that God was and always will be with you and watching over you. Therefore, there is no reason to be afraid or scared.

Prayer:

Dear God, please help me to trust that you will keep me safe, that you are always with me, and for me to not be afraid because I have you within me. Amen.
