

**I never liked u since the day u followed me  
Tbh, I don't consider u as a friend since we barely talk and not that I  
want u to talk to me but I'm js saying  
I swear if I get hate for this imma be so mad cause first of all, u can't  
make me choose who I like and who I don't.  
(I needed to get that off my chest for a while now I js had enough of it)**
