

Just remembered I said
I might post a Haiku
but then never did
sry about that lol

I'll get on it

Take a look
at the next page
to learn about
Haikus!!

All about Haikus

They're a kind of poem with three lines. They are usually about nature.

Structure:

The first line has 5 Syllables. For example:

¹ Hai-² kus ³ are ⁴ awe-⁵ some

See? Easy! The second line has 7 Syllables. For example:

¹ But ² some-³ times ⁴ they

⁵ ⁶ ⁷

don't make sense

The third and last line has 5 syllables, like the first one.

For example:

¹Re-²frig-³er-⁴at-⁵or

Now put it all together!

Haikus are awesome,
But sometimes they
don't make sense.

Refrigerator.

And it's done!!

Now go make
your own!
