

My controversial anime opinions!

MHA: this anime is so mid I got bored and stopped watching after 5 episodes

Demon slayer: I like this one as much as the next person but oh my god it's so basic and the only good characters are the side ones

Attack on titan: your favorite characters in this show are mid or jerks and you like being dominated if you like those characters

Bleach: ichigo is the most basic main character i have ever seen

Any sports anime: just go play sports if you like this. It'll be less of a waste of time

Tokyo revenges: unfathomably boring

One piece: I love this series but fishman island arc was mid as hell and has too much filler

Chainsaw man: I can't say anything bad about this PUH PUH PUH POWER

Jojos bizzare adventure: anyone who says the story's basic clearly only watched part 1 or is just lazy this series is god tier
