

Samantha: — and I wanna start a family of our own...

Me: well how about you finish this one first.

Malorie: THEIR TAKING LILLY!

Me/Samantha: No!/Yes

Me: No, Nobody's taking anyone anywhere. You don't get to ABANDON your kids and then show up one day to 'take your pick of the litter'

Dad: Aw now that's not fair, your mother made mistakes, but she's here now that's got to count for som-

Me: SHUT UP CHRISTIAN! This isn't about you. It's about... you \*glares at Samantha\* this is about what you didn't do. \*smirks\* it's about what I did. And you know what..I did a f-king great job. Lilly is learning how to be more independent, she's learning to read small and medium books. Malorie top of her class! She set the curve. \*proud but p!\$\$ed off\* Aidyn was taken off his pill and is getting better at school! And dad has gotten better with his mental and physical health. And you know what \*stops smirking and frowns and just stares at her\* They did it all NO THANKS TO YOU! BECAUSE **YOU WEREN'T HERE**

Samantha: and I appreciate that.. Ellie, but I'm here now \*starts to cry\* and Lilly belongs to me...

Me: SHE DOESN'T EVEN KNOW WHO YOU ARE!

Samantha: I'M HER MOTHER

Me: YOU WERE MY MOTHER TOO! \*starts crying\* get out.
