

Guysssss, I did the if you follow tag me suggest to a friend or comment thing you get a shoutout thing so I would in hopes get more followers on my last acc that worked fantastic! But on this one I have only shouted out one person I will try to post more fun things in hopes to like better interest you guys but I don't think it really grabbed you guys enough to make you understand just because you like my post does not mean you get a shoutout!
