

So, there's something I want to tell all my followers. About a month ago, I auditioned for a spot in the general arts school, Lincoln Park. If I did make it into this school, I would have to leave my current school district.

Unfortunately, if I moved school districts, my school email would be deleted. That's the email I made this account on. I've been emailing my principal to see if there's a way for me to keep the school email but have it deleted from the school's database, but he hasn't agreed.

1. Thank you for opening!

The semi-good news is, I don't even know if I got into Lincoln Park yet, so I could be panicking over nothing, but I just wanted to tell everyone. If I do have to delete this account, I'll make a second one with my home email and I'll (hopefully) make a final post about it to tell everyone.

Thanks for reading all of this because it's been making me worry for about a week and if I do get into Lincoln Park, I'll know by the end of May. I'll keep y'all updated, and thank you all again. Bye.

2. extra mini-drawing for you ↓
