

You encounter Amy. She asks for help, she dropped her bag in the hole. What do you do?

- A. You bribe her with a new bag, as she stares, she turns her head away and says “I just want my bag,”
- B. You try to reach into the hole, Amy holding on to your legs. She looks down noticeably knowing you can’t get it. You grab it and you bring it up.
- C. You walk away leaving Amy to cry. As you watch Amy cry, you feel bad and walk back, you notice something off about the grass, you see a Monarch Butterfly ! You grab it and take it home, leaving Amy upset.
- D. You grab the bag cause of how tall you are. You jump up and back onto the ground and give Amy the bag. Not noticing she placed 400,000(\$ ) pounds in your backpack. As you walk back, your backpack feels really heavy. You open it to see 400,000 pounds, (\$ ) You go back to Amy’s house as she leaves her house address there, you tell her you don’t need the money, but she insists. You take it and walk home. Waving to Amy, she feels really happy.
