

Heyyyyyy y'allzzzzz 🍷

I DON'T HAVE TO GO TO SCHOOLZZZ TODAY!!!

Bruv I don't even actually have a temp but my dad is letting me stay home 🤒

Since the roads are so icy, it took my mom FOREVER to get home from picking my dad up, so I would've been late anyway 🤔

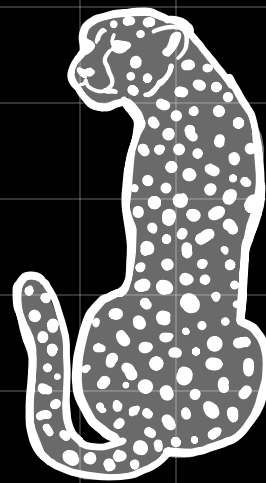

My dad walked through the door and was like, "You go to the car, you go to the car, and you go upstairs." 🤨

Then after my siblings went to the car my dad said, " get yo sick a\$\$ upstairs and don't bother me. I have high immunity and I'd like to keep it that way." 🤒🙏💀

My dad rly only cusses in front of me, but idr get offended or anything.

We have this funny joke where he flips me off at random times but ik better than to flip him off so he says, " One day bb girl, one day."

OMLL I LOVE MY DAD HE IS MY FAVORITE PERSON IN THE WHOLE WORLD 😊
