

Adonis was born in Macedonia Greece 🇬🇷

He is the oldest out of 4 siblings

Adonis speaks Greek, Italian, French, and English

When Adonis was born he had his left hand fractured and had to get rushed to C-section, he was lucky to not have his arm amputated at birth, but it still has an affect sometimes he can barely do certain things with his left hand but he doesn't let that bother him.

When Adonis was 15 his parents bought him a skateboard board, he always used his skateboard after school around all the time. Until one day the police got mad at him since he ran into a old lady on accident and broke it.

When Adonis was 17 he would "borrow" money from his parents and would always buy energy drinks and snacks from the gas station. He was later caught by his mom and he was grounded on the spot.

When Adonis was in university he didn't know what he wanted to study so he just chose business and turned out to be really good at business. Now he owns a million dollar business that sells "kids" toys and other kinds of things.

His dad wanted Adonis to marry a girl named Angle, Adonis came out to his dad about being Bisexual and that he is dating a guy named Charlie, his dad supported him with out asking about it. His mom on the other hand cares to much and wants to meet Charlie and see if he is a good fit for him, and if he meets family standards.

Adonis loves his little brother Vesper even though Vesper hates him, Adonis supports his brother a lot and still worries if he Vesper gets teased at school. Adonis cares a lot for Vesper and wants to be there anyway he can and help anyway he can.

Adonis had a crush on a guy in middle school but he didn't knew what it was so he just brushed it of and dated a whole bunch of girls until he met

Charlie, since then he has been loyal to his beloved and wants to marry him someday.
