

- And when I was shipwrecked (can't think of all the cost)  
I thought of you (all the things that will be lost now)  
In the cracks of light (can we just get a pause?)  
I dreamed of you (to be certain we'll be tall again)  
(If you think of all the costs)  
It was real enough (whether weather be the frost)  
To get me through (or the violence of the dog days)  
(Out on waves being tossed)  
But I swear (is there a line that we could just go cross?)  
You were there

- And when I'm feeling alone  
You remind me of home  
Oh, baby, baby, Merry Christmas  
And when the world isn't fair  
I'll pretend that we're there  
Baby, baby, Merry Christmas  
(To you)

- Like shadows in a faded light  
Oh we're invisible  
I just wanna open your eyes  
And make you realize

- The bottom's gonna drop out from under our feet  
I'll catch you, I'll catch you  
When people say things that bring you to your knees  
I'll catch you  
The time is gonna come when you're so mad you could cry  
But I'll hold you through the night until you smile

- Right here, wishing the flowers were from you  
Wishing the card was from you  
Wishing the call was from you

- But then you called, showed your hand  
I turned around before I hit the tunnel  
Sat on the roof, you and I

- They're burning all the witches, even if you aren't one  
They got their pitchforks and proof  
Their receipts and reasons  
They're burning all the witches, even if you aren't one  
So light me up (light me up), light me up (light me up)  
Light me up, go ahead and light me up (light me up)  
Light me up (light me up), light me up (light me up)  
Light me up (light me up), light me up (light me up)
