

Wanna help

w/ a design
for my novel?

If so, check
2nd page!

Read this first!

So.. I need a colored design of Willow for my novel (VOID). In the VOID, you can't see Willow's real colors so she looks black and white. I need a colored version of her and I don't know what to do with the color palette. Since y'all seem to love Willow, it'd be cool if some of you guys could draw Willow with actual color and maybe I'll use the design in my novel! There are some references of Willow without color on the second page! (Black highlighter indicates shading)

I can make prizes if y'all would like, you'll also be mentioned in the book :]

I might combine multiple people's ideas!!

I'll decide on July 1st, or when there's a bunch of "entries"
