

Nahhhhh

Oki so

I was in choir today (my least fav class but also my elective cuz it was the easiest lol) 🤔

And this dude in the tenor section (I'm a soprano if yk what that is) sneezed 🤧

But it was very loud and obnoxious but that's just how he sneezed

And everyone knew that's how he sneezed 🤓

But in the teachers eyes he was sneezing to draw attention 😏 (he wasn't)

The teacher said "that's not how normal people sneeze" 🙄 🤓

Ya know how this kid replied 🤔

He said -AND I QUOTE- "sorry that I'm not normal enough for you" 😭😭😭

Honestly respect to him

We all knew we were thinking it, he was just the one that said it 🤔

Ya she didn't take it well and he got a referral but he said it was worth it so that enough for me 🤓
