

Complete the chart. Write how each way of supporting the war helped the war effort.

| Americans Supported the War | |
|-----------------------------|---|
| Kind of Support | How it Helped the War Effort |
| Rationing | Rationing helped the war because it increased the amount of food for soldiers to eat. |
| Spending | Spending helped the war because they bought saving bonds. |
| Working | Working helped because it provided money so people could buy bonds. |

Answer in complete sentences.

- Why were Japanese Americans placed in internment camps? Japanese Americans were placed in these camps because Americans were concerned they would betray them.
- What did Americans think about Germans living in the United States? Americans thought they were considered to be suspects.
- How do you think Japanese Americans and Germans living in the United States should have been treated during the war? Americans should have watched them very closely and observe their behavior constantly.
- How was entertainment used to support the war? Entertainment supported the war by keeping life as normal as possible and encouraging them about the war.
- What effect did the war have on entertainment? It promoted people to buy bonds.
