

I'm back 😁

Imma tell y'all how the field trip went:

Ok so I went to SeaWorld for the first time ^^ it was also my first time riding rollercoasters which was fun

WE WENT ON ALMOST ALL THE RIDES LOL IT WAS PRETTY FUN EXCEPT FOR THE EMPEROR BC MY FRIENDS WERE LITERALLY PINNING ME ONTO THE SEAT BC I DIDN'T WANNA GO ON THAT ONE- (that sounds very wrong Oop-)

Since it was a school field trip none of the lines were long (longest wait was ten minutes :D) so we went on some rides twice >:]. We went on the water rides so many times I got soaked-

We also got Mexican food (bc all the other lines were long) which was rly overpriced tbh, it also didn't taste very good. We got ice cream after that :)

I also got an orca plushie and I luv him <333

My friend was on her 🩸 during the field trip which sucked for her (yet she still went on most of the rides-) so I paid for her ice cream bc I'm nice like that :]

We didn't get back until like 5pm (pst) which was supa annoying since we were supposed to be back at 4 :/

Anyways I'm so tired rn I just took a hot shower, my legs are numb rn so I might just scroll through the gallery to see what I missed.

That's all, buh-bye <3
