

Ok I'm making this cause I have 330 followers and I haven't stopped thinking about it not that I achieved it but do I actually deserve this many? I'm going to be serious here and I legitimately think this. without these people I'm going to be mentioning and (I am not playing favorites here) but without these people iv met and befriended I don't think I would've been able to have become the person I am and be where I am with my career so without @qibli @rewrite @pub_slayer @jamilex @tristenroethle41 @morning_bird13 @wolfaustin @shadowwolf @sydslayer67 @jolteonlover. I mention these people cause I felt like I piggyback on there succes and they're careers. They all have helped me through tough parts of my life and believe in me. Please don't follow me but follow these amazing people. Without you guys I wouldn't be the Mr dragon you all know.

I'm also making this cause idk when people are leaving. I'm so extremely grateful to all of you guys. I know I say this a lot and it probably is worn out at this point.
