@cosecarine

LEVELS!

EASY

1 2 3 4 5
6 7 8 9 10

- Chose a level

go here.

Good, now you can move the cubes!

Drag them on an empty space where you want to place them.

Once you're done and you feel confident, discover the solution to check (just press the white cube  and click "delete")

And... Have Fun!

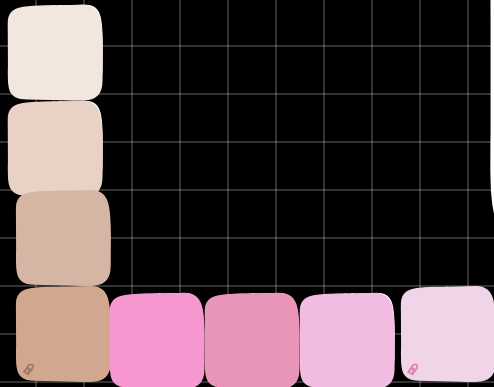

That's only a try
