

My Recent Emojis! 😜👑 (there very uhhhh interesting)

Here they are!

Now I am trying to make a story out of it! (Lol!)

“Guys I got **money!!!**” Her friends **eye roll** and **fake puke** like she is disgusting. “Are you poor or something, only **dead** people get 20 dollars.” Her friends laugh. “Um actually I got 100 dollars, so **love hearts** and **peace** out haters!” 20 YEARS LATER “I love my job as an **artist**, maybe I’ll draw a **fish**, and then I can get **boba** with Anne and then go to **New York** and there I’ll be attracted to all the sweets! Like a **magnet!!!**” “Haha, now I’m dreaming!” That would be so **cool** she thought. But she continued drawing and studying her picture like a **nerd**. “Maybe the fish could be blue, and have hearts, a fish with **blue hearts!**” Haha I’m so **silly**, she thought. When she was walking out of her work she bumped into a **hairstylist**.

I can’t think of anything else so how about you guys finish the story!!!! 😜😎😜 Put your answers in the comments!!!
