

One of my best friends has a friend a couple years older than us. I met him but he's a terrible person and he generally sucks. He beats up little kids, calls people slurs, has apparently tr*fficked a bunch of girls younger than him, etc. my friend thinks he's great but I can't convince her otherwise and he's influencing her. Can someone plz tell me what to do? 🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄🙄
