@aden9
I always had that dream like my daddy before me
So I started writing songs, I started writing stories
Something about the glory just always seemed to bore me
'Cause only those I really love will ever really know me

@youcantbeme18
I broke a glass, I tripped and fell
I told secrets I shouldn't tell
I stumbled over all my words
I made it weird I made it worst
Each time I step out side
It's social suicide
It's social suicide
Wanna curl up and die
It's social suicide
