HOW TO DRAW

✦ HANDS ✦

1
(not the best but yea)

IDK how to explain it but i think you will get it.

How to draw

Lips

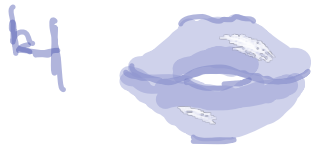

make a "squiggly" line

make a small line connected to the line (optional)

draw the lip lines (you can make the lips as thick or thin as you want)

add highlights and colors and you're done!

(note: idk really how to draw them so i tried my best)

How to draw

nooses
