

I drew them  
some time ago TWT

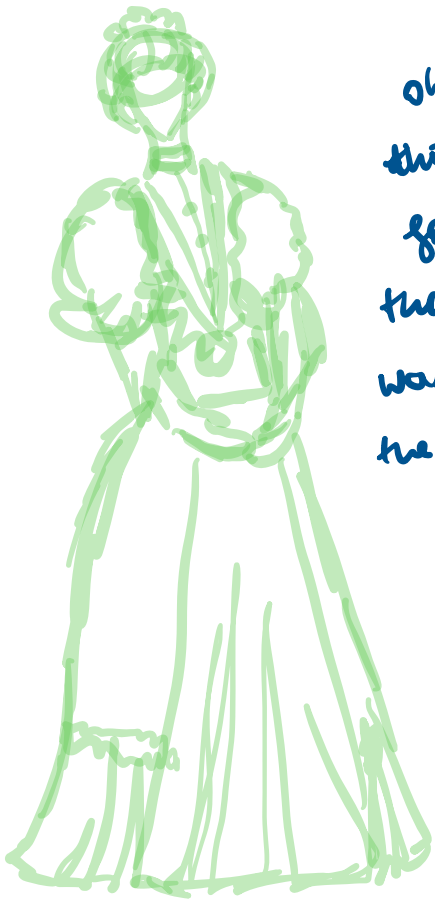

Exams  
are killing  
me rn

Who do  
you  
like  
best?

oh, you're the coolest of them all, if you find this :)

oh,  
this is  
for  
those who  
want to see  
the sketch

And this is for the extra curious

ones:

→ using OC generator (they really save my life sometimes)

- I made some OCs for the comic and

I have some ideas that I'm gonna show later, once I developed them a bit

→ thanks, @milisa3

- The theme will be musketeer times because Victorian is my comfort zone and a lot of historical-based comics are mostly Victorian. I just never tried drawing musketeer times clothing, so I just need to experiment

that means, those who commented another time period will get their OCs drawn somewhere in the comic. I promise :)
