

Hi @rxsie-the-ghxstie

I'm @marigoldsorsall , I don't know if you have seen any of my writings, art or stuff like that, but I love your art so much! I was wondering if you could draw a character from a story I've written? You can find it on my page... anyway, I would love it SO MUCH if you would draw her. It's totally fine if you can't, just wanted to ask.

If you can (tysm) here's a description:

- Wavy blonde hair
- Tall
- Pale
- You can make her with green or red eyes, red eyes preferred
- Swinger-style dress
- Pumps (you don't have to do feet ;) )
- Love these colors:

*Thank you so much*
