I kinda just forgot and I was busy!
Please forgive me :(
Anyways!
This is the kotlc group thingie that I made where we can do kinda fun stuff here!
We can have the election for the vice president in the next note. Kinda like my helper in deciding what to do next!
We already have a mascot (lol), which is my friend from another school. She doesn't have notability, but she still filled out the form and wanted to be included. I'll remix her note later.
But yeah! Just made this note to say sorry for not doing anything in like 5 months and to say we <b>will</b> be doing something soon!
~Bye!

Hey! I am so, so, so, so, so sorry for not doing anything sooner!
