Add your funniest KOTLC story!

(PS, this is from when I was in elementary school) I was at recess with my friend (for privacy's sake I won't say her name) and I saw my OTHER FRIEND (also not gonna say her name) chasing this guy around (not gonna say his name) who looked like Keefe but shorter. The only obvious difference was that the guy's hair was neat, but my OF (other friend) had messed up his hair so now he REALLY LOOKED LIKE KEEFE! My friend knew KOTLC, so we went on the swing and laughed about it. (Totally irrelevant part: my friend fell off the swing and got hurt. 😞)
