

I'm out of ideas, I want to do stuff with Lucinda but I really don't know, anyone good at writing stories or the 3/4 perspective?

I'm going to be honest, I'm afraid of the future. I'm switching schools for junior year but that means leaving this iPad and the gallery. I really want to go to my new school but I don't have any other method to draw on. It makes me really sad to think I only have about 9 weeks left with you guys. Thanks for listening to this vent I guess.
