

X Samih Key-Williams (YOUR NAME)

hereby grants ownership of their everlasting soul in perpetuity throughout all timelines, realities, and simulations to Bill Cipher Soul Holding LLC. Signing this contract waives any further right to seeing your soul, visiting your soul, soul-searching, wearing a soul patch, or watching the movie "Soul Plane." Your career in the arts is formally over, but your career working for network television Standards & Practices has only begun!

S Furthermore &

I. Signee may continue to eat Chicken Soup, but any spiritual comfort it offers will be transferred instantly to Bill Cipher LLC. If any other deities or demigods dispute ownership of this soul from a prior sale, they will have to bring their fiddle, chess board, and/or paperwork to our HQ for mediation to determine the Soul Beneficiary.

II. "Old Souls" may be subject to remodeling for higher resale value.

III. Souls are to be stored in our soul containment unit in the Astral Plane. We are not liable for damages in the event that some kind of "Ghost Busting" team releases your soul and others from our containment in a wacky montage throughout New York City.

IV. If Anubis comes by with his scale for our annual Soul Weight Audit, tell him we are all home sick.

This Soul is hereby transferred to:

X Bill Dipher (BILL CIPHER, CEO)
