Jars of Fears

Small Spaces — I get very clasterphobic. It associated.

Heights
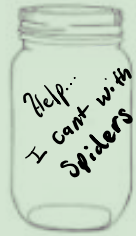

Spiders — Help... I can't with Spiders

Darkness

Public Speaking — I can't... T-T

Clowns — Kinda depends tho

Snakes — Yes if their poisnes but I think their cute.

Losing a Loved One — I swear when this happens I'm gonna be depressed and have a breakdown. But I know its gonna happen T-T

Water (Drowing, Open water) — I just learned to swim

Fire — This is not how I wanna die...

Death — I'm scared of how painful it will be for me and loved ones..

Abuser (ex. parent, rapist, etc;) — THIS NEEDS TO STOP. Theres no need to do this to People

Growing Older — Its gonna happen

Other People (Social Anxiety) — I love making friends and cure bugs ~

Germs — CoRoNa

Going Insane — Too Late...

Abandonment — This has happen before.. ♥

Being caught in a shooting — ...
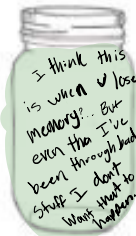

Anesthesia — I think this is when u lose memory?.. But even tho I've been through bad stuff I dont want this to want happen..

Dying Alone — I need Family and Friends

The Unkown — Never know what you can find...

Flying — eh...

Holes — Wut?

Swarming Insects — BEES!!!

Pregnancy — Thats gonna hurt but.. your cuin baby 👀

Failure — I dont want to fail anymore

Becoming Paralyzed — I'd get over it...

Others Finding Out Your Secret(s) — Depends
