

Hi!!!

So I went on holiday for a while...

(Talking Genshin first cos yes) My unlucky ahh pulled 3 more 4-stars on Baizhu banner after getting Scarra, and none of them were Layla. I got desperate to test run my Wanderer so... I used Xinyan. My current Wanderer team has Kazuha/Xingqiu, Xinyan and Barbara. I also did ascension quest for primogems and now my Burgeon team doesn't one-shot everything yay (Kazuha, Yanfei, Nahida and Barbara). Thanks to Wanderer, I finally unlocked Floor 9 of Spiral Abyss (still struggling cos bad artifacts)! (Ok now scolding) *deep breath* why tf is there drama. Again. Ughhhhh.

Anyways I'll be posting some fanart of Lyna and Wanderer and Aventurine from HSR, plus a lil surprise if I have time!
