

You don't eat

Most of the time I don't

Kinda

Your sick of life

You fat shame yourself

Sometimes

You listen to happy music

By my Step dad

You get told you suck

yep

Your parents fight all the time

You cut
Used to

HECK YES

Your energetic

Yes I also cry for no reason

You cry a lot

Sometimes

You get made fun of.

ALL the time at school

You get called emo

You feel alone

Not at all
