

Hi Peeps! I have a question for you Peeps! Does anyone want updates on the post I posted about advice for talking to my crush and asking for his phone number! Bc there is updates but I will only tell you guys if this post gets more than 20 likes!

I would like to update you guys! if anyone here doesn't agree with the updates plz don't make any nasty comments! If you do I will unfollow you if you hurt my feelings bc one thing that I don't accept in life is when people are mean to others!
