

Ok so I don't do a lot of art on Notability anymore, I use this app called Sketchbook. This means it might take longer to post, so I now have 2 accounts for Sketchbook art. @t1ghn4tr1 for Genshin, @jia0qiu for HSR. Will be posting on both soon.

Notability art will still be here.

And all completed works will be on my Tumblr, @st4rr1ghtwastaken (Zhenyu and Calx).

Yea that's it  ~ @st4rr1ght
