

# How to stay safe in 2024 <sup>3</sup>

(a stranger)

Say someone touches you without permission. What do you do?

No one wants to kidnap a barking child.

Everyone around you will also be alerted.

Say someone offers you a candy but you refuse and they begin to force it on you? What do you do?

Everyone around you will also be alerted.

No more of this stranger danger crap. If you feel threatened in a situation.

Simply bark <sup>3</sup>
