

pass these papers back to the class.

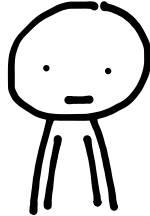

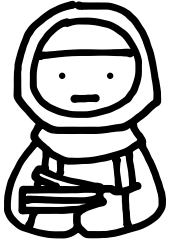

OK.

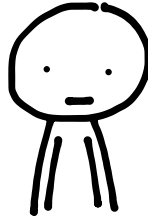

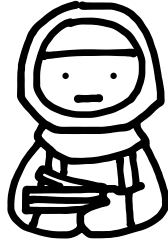

Its more than 3/4ths the way through the school year.

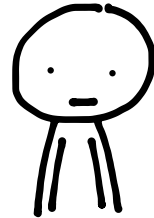

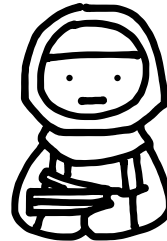

I don't know a single student or teacher's name.

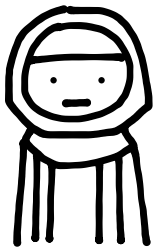

are you Cam? no, im Jess.

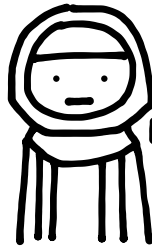

are you Lana? no, im Michaelle.

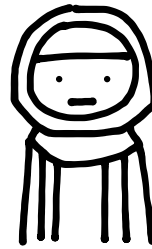

are you Mike? no, im Oliver.

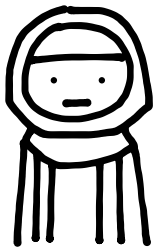

Well, that was a flop.

Now that I think of it, what's my name?

What's my last name? My birthdate, my age? What does my family look like? What do I look like?

Oh. I remember now.
