You prefer simple things. Designs and shapes like a heart or a star are ideal. How did you find this quiz? Let me know in the comments!

Dark colors like black suit you. Your style is more gothic, which is perfectly complemented by a black choker. Did I get it right? Let me know in the comments!

You love cute stuff and colors such as purple, pink and pastels. You should definitely try on a pink hoodie (if you haven't already). Should I make more quizzes like this? Let me know in the comments!

Thank you for taking this quiz, here's a capybara sticker!
