

Do you need anything? But I do
"I think ^{responsibilities} the Y meant"
Don't stand too close
Nobody cares
Must be on your period
You're hurting
Try-Hard
I'll help
You're FINE
better if I died
STOP WHINING SELFISH
COULD BE WORSE
"Stop it"
Why are you shouting
You should do
There they go, this
ranting again"
Complaine rantises whim
Wow my bad
do you even care
about hurting my feelings
MY RIGHTS
When you're
You might not
become a furry
I TRIED
NEEDS ARE NOT
why do
You don't know
who I am
But I want
hurt me
like this
I'm gay just not
you're not
I'll just kms
Never as good
as
Open
up
No friends
