

Hey guys it's me again! I know you guys are probably like 'where did this dude go' 😭 yea so basically I was super unmotivated to do art and to actually post and I was super overwhelmed with IRL stuff. I came back to post this because my IRL friend (@hanae_mori) convinced me to come back because everyone was asking where I was 😭 school is over now so I'm not as overwhelmed but I don't know I just don't have motivation to post art anymore :(being in this gallery was a lot of fun and I got to meet so many other talented and sweet artists ❤️ sadly, I'm not going to continue my journey on the gallery. I may remember about it and post an update but I won't really post art anymore. I would like to say thank you to literally everyone on the gallery for supporting me and liking my posts and commenting ILY all ❤️ also thank you for all the followers I have and the kind messages you guys have given me over my stay here ❤️ I would say thanks to specific people but there are just TOO many people who have made being on the gallery a fun experience.

to my day 1's: thank you for talking to me and helping me become popular when I joined the gallery 😊 because of your kindness I kept posting and made more friends. you guys are the best ❤️

to my gc people: it was so much fun getting to know all of you and have all those funny conversations in the docs and etc. you guys are so funny, thanks for making me laugh ❤️

to the people who comment on all my posts: thank you for your support, I read all the comments even if I don't reply and they always make me feel so special ❤️

to my IRL friends: I'm so glad I could introduce you to this platform! everyone here is so supportive and I hope you'll love your stay here almost as much as I did. make sure to update me on any drama on here 😂❤️

lastly, to everyone reading this rn: thank you for supporting me on my journey and helping me become a better artist! although I'm not going to pursue art anymore and I'm not going to post it means so much to me that you guys are still following me and remember me ❤️❤️ I wish you guys the best in your life and I'm so glad I could be part of the gallery.

I love you all ❤️❤️
