@aden9

I always had that dream like my daddy before me
So I started writing songs, I started writing stories
Something about the glory just always seemed to bore me
'Cause only those I really love will ever really know me

@I will stand by you

I will help you through
When you've done all you can do
If you can't cope
I will dry your eyes
I will fight your fight
I will hold you tight
And I won't let go.

There's a hole in me and it's exposed for
the world to see and it you know that
I'm a wrench in your machine though
you try, I'll have to show some patience
to tell ya, so I'll be complacent I'm a
wicked old soul nowhere left to go at
the beck and call of the man on the
radio raise a glass for the empty-
hearted, too far gone to know when it
started
