

I smiled at Nicky as I took a bite of some noodles. She stuffed a full Crab-Rangoon into her mouth.

“I feel like your gonna choke.” I said with a smile.

Nicky looked up and drank some water and finished chew’n.

“And if I did?”

“I’d find a way to get you not choke’n.” I said with a smile.

Nicky smiled and shook her head. She looked away and smiled some more. I smiled and pushed my hair outa my face. I must’ve been look’n at her real hard because when she looked over she started to blush redder than her hair.

“What?”

“What do you mean what?”

“I mean what because your look’n at me funny.” I said fold’n my arms.

Nicky rolled her eyes and smiled. “I was thinking.”

“About how stupid I am?”

“No! Well, I can if you want.” She said with a smile. “I mean, that’s kinda easy.”

I rolled my eyes and heard someth’n from upstairs. I looked up and gave a small smirk as a thought crossed my mind.

“What are you thinking?”

“Noth’n. Just wanna spy on my brother.” I answered with a smile.

“Griffon he’s upstairs, and I don’t know if you know this, but you can’t really go up there.”

Nicky said fold’n her arms.

“Try me.” I snapped.

“Ten bucks if you can’t.” Nicky said with a smile.

I got on the ground and started to army crawl my way over. I looked back at Nicky who had her phone out, and pointed at me. I rolled my eyes and stared back at it. Seriously, I had a feel’n she was gonna send this to the world.

I got halfway up the stairs before I strained. My arms carried me across the kitchen to the stairs, and half way up.

“I smell ten bucks.” Nicky muttered walk’n over.

She sat on the steps in front of me and put her chin in her hands and smirked. If she wasn’t teas’n me, I would’ve tried to kissed her. That’s how close to me she was.

I rolled my eyes and shook my head. “I got it.”

“Mhm, sure.”

I rolled my eyes and climbed a little more before my arms said, ‘Nah, we’re done’. I looked at Nicky who was smirk’n still.

I rolled my eyes and looked down.

“My wallet is in my back pocket.” I muttered.

Nicky smiled and walked over and pulled my wallet out. I rolled my eyes and stared at the stairs.

“You done? Please don’t be slapp’n my butt, can’t feel.”

Heh, funny story actually. Kevin did that earlier to see if I could feel it. Long story short we found out that I can’t feel, but do have a black and blue handprint from my football play’n brother.

Nicky laughed and shook her head. She out the money in her pocket and gave me a smile and signaled for me roll over. I rolled to my back and Nicky grabbed my arms and pulled me up. My eyes widened and I clung to her for dear life. Nicky strained for a second before I wrapped at arm around her.

“Why are you so light and heavy at the same time?!” She begged.

“I dunno, you tell me!” I snapped.

Nicky rolled her eyes and was able to halfway cradle me like a baby. She ad one of my legs

up, while the other dragged behind.

We got to the top and Nicky set me down. She stared at me for a second while I pulled my wallet out and checked to make sure she had only taken ten bucks.

“You took five.” I said look’n up.

“Mhm, I don’t want the rest. I have a video that’s worth millions.”

“Ha ha.”

Nicky smiled and I sat there for a second. She sat down next to me as I tried to catch my breath as I felt my heart beat spike.

“Are you okay?”

I nodded and put my head against the wall, still tryna catch my breath. Nicky sat down next to me and grabbed my hand.

We sat there for a bit till I felt my heart decide to be normal again. Well, as normal as it could be.

I sat up some and looked at Nicky who gave me a smile.

“You need to stop do’n that.” I said carefully.

“Doing what?”

“Be’n nice and stuff. I can’t not wanna kiss you anymore.” I muttered play’n with my hair.

Nicky gave me a small smile and got into squat. She gave me a smile and said, “Come on, let’s go spy on Kevin.”

I gave a smile and she extended her arms out for me. I wrapped my arms around her and she stood up.

It was only about five feet away but still, it was nice. We both sat down and I looked at her carefully.

“I’m gonna marry you.”

Her eyes widened and her face went red. Nicky looked away and bit back a smile, shake’n her head.

“No I’m be’n serious Nichole.” I said. “I’m gonna marry you.”

Nicky gave me a small smile and put her head on my shoulder. “I have a feeling you’ve been thinking that for a long time.”

“Exactly, I have. Ever since fifth grade it be exact.”

“Mhm.”

“Yep!”

She rolled her eyes and kissed my cheek.

“In your dreams.”

“And yours.” I muttered.

Nicky rolled her eyes and I looked down. I didn’t want to spy on Kevin anymore, but wanted to hang out with Nicky.

“Can you help me to my room?”

“Mhm.”
