

Ah

I know that I'm running out of time

I want it all, mmm-mmm

And I'm wishing they'd stop tryna turn me off

I want it all, mmm-mmm

And I'm walking on a wire, trying to go higher

Feels like I'm surrounded by clowns and liars

Even when I get it all the way

I want it all, mmm-mmm

We came here to run it, run it, run it

We came here to run it, run it, run it

Just like fire, burning up the way

If I can light the world up for just one day

Watch this madness, colorful charade

No one can be just like me any way

Just like magic, I'll be flying free

I'ma disappear when they come for me

I kick that ceiling, what you gonna say?

No one can be just like me any way

Just like fire, uh

And people like to laugh at you 'cause they are all the same,

mmm-mmm

See I would rather we just go our different way than play the game,

mmm-mmm

And no matter the weather, we can do it better

You and me together, forever and ever

We don't have to worry 'bout a thing, about a thing, no

We came here to run it, run it, run it

We came here to run it, run it, run it

Just like fire, burning up the way

If I can light the world up for just one day

Watch this madness, colorful charade

No one can be just like me any way

Just like magic, I'll be flying free

I'ma disappear when they come for me
I kick that ceiling, what you gonna say?
No one can be just like me any way
Just like fire, fire
Running, running, running
We came here to run it, run it, run it
So look, I came here to run it
Just 'cause nobody's done it
Y'all don't think I can run it
But look, I've been here, I've done it
Impossible? Please
Watch, I do it with ease
You just gotta believe
Come on, come on with me
Oh, what's a girl to do?
(What, what?)
Hey, what's a girl to do?
(What, what?)
Oh, what's a girl to do?
(What, what?)
Mmm, what's a girl to do?
Just like fire, burning up the way
If I can light the world up for just one day
Watch this madness, colorful charade
No one can be just like me any way
Just like fire, burning up the way
If I can light the world up for just one day
Watch this madness, colorful charade
No one can be just like me any way
Just like magic, I'll be flying free
I'ma disappear when they come for me
I kick that ceiling, what you gonna say?
No one can be just like me any way
Just like fire, fire (running, running, running)

Just like fire (we came here to run it, run it, run it)
