

Kinley and Makayla

Kinley and Makayla I love you till the end

Ik where not friends

Yet I still hold on to you

I hold on to the hope

That you will come back to me again

And Ik you have each other

And Ik you have other friends

But y'all ment the world to me

Ik you probably don't care

But I care about you

So hear me out

Cus I love you

I may sound pic me

But I trie not to

I cry my self to sleep

each and every night

I love you guys

And miss you guys

And when you where mine

You don't have to believe me I just want you to know

That your the reason I'm still alive

And yes I have other friends

but you where my ride or die

But now as I look back I see that you where always hear

I need you now more than ever

But you probably don't even care

I miss you and I love you

I'll always be here waiting for you

To want me back

But you probably won't

So I'll be waiting for you all my life

Emma
