

The evil Wings of Fire character:fly

Name:fly

Tribe:skywing

Color:red with a little white

Ability:good flier and fighter can breath fire can withstand cold temperatures

Introduction:soar is a really grumpy dragon like talk to him and he'll get annoyed with you after being kicked out of jade mountain academy a long time ago like maybe 3 years ago for attempted murder of a student he's sworn revenge on the dragonets of Destiny and there new apprentices when he found a animus touched object lost to time he found the one thing that will allow him to take over pyheria and pantala the only one who knows anything about soar is Scorpio who knows what the animus object does it turnes anybody who has it into a animus but not just any animus the most powerful animus able to do anything so Scorpions Been trying his best to stop soar but it's not easy too for he will not stop at anything until those destiny dragonets are destroyed he's just waiting because while he has strong animus magic he can't protect himself from it but when will he strike
