“Gear helps me be more connected to my timber wolf theriotype. Whenever I wear a mask or tail or paws, my body just feels in the right place, as if I am the wolf fully, and not just stuck in my human body.” -A blog/post by BRRNANA

“My poor mother begged for a sheep but raised a wolf.” -Michelle K.

“I have four legs, so why do I have to walk on two?” -A blog/post by BRRNANA
