

it's meeeeeee <3 sorry I've been literally so inactive but I have an explanation (and a bit of vent sorry 😭) here we go \*ahem\*

I have a lot of commissions done except I don't know how to color them 😭 I did @apolonia23's commission and I still wasn't happy about the coloring but I was like 'eh I'll just post it so people know I'm alive 😭' and I still don't know how to color the rest of my commissions HOW DO U USE THE FREAKING NOTABILITY TOOLS TO COLOR IM SO DONE WITH LIFE RN 😭😭😭😭😭 ok sorry about that 😭 I'm also working on my Oc who's turning out very cute but once again I CANT COLOR IT 😭😭😭😭

I'll finish the bad news before the good news so here it is: I'm not going to be active very much until next year I'm sorry 😭 I have final exams (which I have to pass to go into 10th grade 😊) and for the summer I'm going to Australia and I have volleyball camp and my halmoni is coming from Korea so I'm kinda busy 😭 I'll try to comment and like but probably not any drawing :(((( now that's that's over with, the good news ✨😍😍 MY OTHER ACC IS UNBANNED YAYYYY 😍😍😍 so go follow @fr00tyl00ps, I'll switch back to that acc soon ig (if I remember 😭) more good news: I already have 100+ followers in this acc Tysm it means so much to me I'm def gonna do something special (after commissions 😭) ilyasm 💕💕 now I've got some special messages for a couple of people so if u weren't tagged u don't have to read this but u can if u want I can't really stop u 😭

@tiny\_shroom: hey tinyshroomie! @starz125: hey hey hey! I'm working on the last Cindy and Blossom comic before I leave! This is gonna be a bit sketchy bc I can't color but I hope u like it <3 since it's the last one it's gonna be a bit longer and special (ykwim) so I hope u like it 😭💕

my group chat peeps(Memester, Ace\_WOLF, unbrokentime, angie\_feather, we1rdch1ld): hi :) hru u guys? Sorry but, I'm not super active in the chat rn and I probably won't get anymore active 😭 plus my emails are kinda glitchy bc it's the online version not the app.

Ok that's for reading guys u really didn't have to read this but my life's a bit hectic rn but I'll finish those commissions soon! Tell me if u have tips for coloring and tag me in a post or smth. Tysm for supporting me all this way ilyasm take care of urself <33 💕💕💕
