

I..I just woke up from a dream. And you me had to say good byeeeee... idk what it all ment.

But since I survived, I realized...

Where ever you go that's where I'll follow...

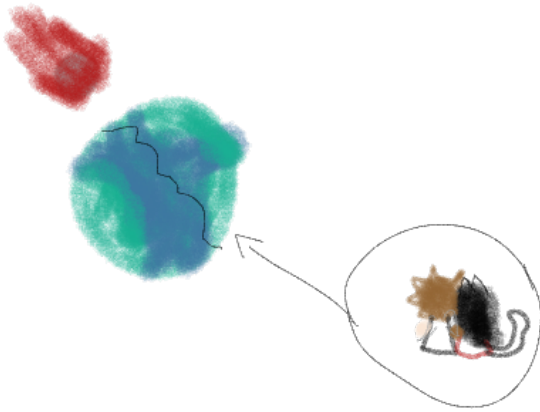

Nobody's promised tomorrow...

So i'm hug you every night like it's the last time, like it's the last time.

If the world id ending i'd want to be next to youuuuuuuuuuu.

If the party is over and our time on earth was thoughhhhouuuuu.

I want to hold you, just for a while... and DIE WITH A SMILE!!! If the world was ending i'd want to be next to youuu...ouuuu.
