

Hello every body important news

The book I'm making is wof(as if asking for wof characters wasn't a giveaway) know before you say I'm copying tui t Sutherland here me out I plan on making the characters go on awesome adventures even thinking about just making a diff universe for my characters to go explore in and yes if she is ever going to look at this(highly doubt she is but either way)I plan on making it so that she gets full credit so yeah hopefully you all enjoy when i do create it and publish it on notability hope you all love it bye bye
