

Lost the 50/50 on Kinich's banner at 83 pity...

He's really playing hard to get huh /lh

On another note: Raiden at 75 pity, Kinich's signature weapon at 10 pity, Raiden's at 20 pity

And a full set of Wriothesley artifacts!!

Saving enough for him and his C1 all over again will be ok because rerun is like next year lmao
